SHOOTING & ARCHERY

Laser Clay Shooting - If you have quick reflexes and a good eye this should be your forte – test your skill at Clay Shooting with the safety and accuracy of modern technology. (The laser shotguns give no recoil).

Longbow Archery - Continue England's noble tradition by trying your skill with a modern bow: lighter and stronger but equally accurate. Would you have been a match for Robin Hood?

Pistol Shooting - A good eye and steady hand are required to ensure the top score on our targets. Safety is paramount but does not detract from the thrill.

ANIMAL ANTICS

Sheep Dog Handling - Our dogs are highly trained Welsh collies that respond to “away”, “by”, “walk” and “stand”. Whilst the ducks move a little more slowly than sheep, co-ordination with ‘rover’ is still a fine art and great fun.

Falconry - After an introduction to the eagles, hawks, owls and falcons, guests fly the birds from the glove. The birds demonstrate their speed and accuracy in flight.

We can also offer Ferret Racing and petting Zoo experiences for children.
